After capturing the attention of Major League Baseball with her front page-worthy shots, Fruth spent a decade covering the San Francisco Giants and Oakland Athletics. Named a Sony Artisan of Imagery, she built a storied career documenting the sport from youth games to professional pennant races around the world. Together with her partner, former Baseball Hall of Fame President Jeff Idelson, Fruth formed the non-profit organization Grassroots Baseball. She has produced three photography books: Grassroots Baseball: Where Legends Begin (2019), Grassroots Baseball: Route 66 (2022), and her most recent, Grassroots Baseball Women: See Her Be Her (2024).
